**What did you appreciate most about this class?**

She really is the only helping me pass at this point. I come to discussion because I tend to learn there more than the lectures. The way she goes over the discussion material is just outstanding.
The best discussion I've ever had. It was a small group so I felt comfortable asking questions and she was willing to help.
This TA is what I appreciated the most about this class
Teach us about practice midterm
Hyun Jung Lee was amazing! She made the course content easier to understand.

**Is there anything you would like to see the TA do to improve his/her teaching?**

N/A
Focus on more difficult part
Keep being amazing!
